

The Little Prince Tour

Sunday: welcome to Saint Exupéry's home city!

Sandrine & Geneviève welcome you at the airport or city centre of Lyon, before taking you to your place of accommodation on the Peninsula of Lyon

~~

Monday: where does the Little Prince come from?

In the morning – panoramic tour of the city with a guide, on the footsteps of the famous writer and aviator Antoine de Saint Exupéry.

In the afternoon, free time for combined shopping and discovery stroll, since Lyon is Unesco world heritage, and has wonderful shopping opportunities, whether in its small boutiques or large department stores.

In the evening, traditional *Lyonnais* puppet show.

~~

Tuesday: Excursion to the Eastside of Lyon

Today is dedicated to an excursion in the Ain rural area outside Lyon, where Antoine de Saint Exupéry spent his holidays and learnt to fly planes. Walking tour of the medieval village of Pérouges, with its unique and harmonious architecture.

Then transfer to the countryside for the rest of your stay – Charlieu is on the border between Burgundy and the Rhône-Alpes region – for an amazing aviation experience.

Your hosts will welcome you to their chateau or stylish mansion with a welcome cocktail.

~~

Wednesday: Day flight!

In the morning, excursion around the Brionnais area on the subject of the French Resistance, and in the afternoon, introduction flight and photo shoot "à la Saint-Ex"

~~

Thursday: more aviation please!

Free time in the morning for the discovery of the small medieval town of Charlieu and its delightful boutiques.

Both Thursday and Friday afternoon are entirely dedicated to flying: you may choose to try out a balloon flight if the weather permits, or powered paragliding, ultralight flying, or even take a two-day flying course on a small plane.

Alternatively, other sports, cultural and wellness activities will be offered if you would rather not fly.

In the evening, a philosophical workshop is organised on the subject of the Little Prince

~~

Friday: Back to the 1940's

To end the week on a high note, satiated with much sports and culture, a musical dinner will be enjoyed, on the theme of the 1940's, in one of the gastronomic restaurants of our region

~~

Saturday: Good bye and see you again!

On Saturday morning, Sandrine & Geneviève take you back to Lyon
